Invoice sample

For Pay-easy, you only need essential payment numbers on the invoice:

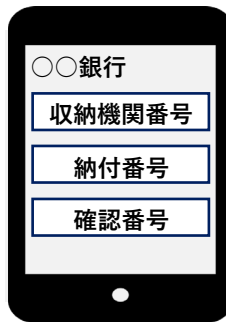

- 1 Collecting institution number (00500) 収納機関番号
- 2 Payment number (16 digits) 納付番号
- 3 Confirmation number (6 digits) 確認番号

Zoom

For internet banking

1. On your PC or mobile, go to the internet banking page of your bank and tap **Pay-easy** (taxes and other payments.)
2. Enter three essential numbers (collecting institution number, payment number and confirmation number) which you can find on the invoice.
3. If the payment amount shown is correct, tap **支払/Pay** to complete the payment.

Sample image of mobile screen

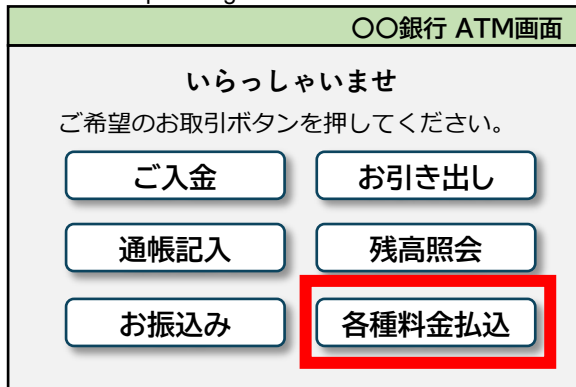

< Notes >

- Once you completed the Pay-easy payment, do not use the same invoice and pay again at bank.
- To use Pay-easy you need to have an Pay-easy arrangement with your bank in advance.
- With Pay-easy, paper receipts are not issued; if needed, print out the payment details.

For ATM with Pay-easy mark

1. On ATM screen, go to **Pay-easy** page and tap **Payments**.
